

☆ Volunteer Organizations in Singapore

Volunteering is one of the best ways to feel connected to a new place you've moved to. You can make a personal impact on your new community while meeting others and expanding your skills, knowledge and experiences. When you volunteer you can...

- ☆ Be a part of positive change in your new community
- ☆ Learn about the new country and community you are in
- ☆ Experience personal growth and instill a value of giving and caring
- ☆ Be exposed to (and possibly learn) a new language
- ☆ Enjoy the social interaction while meeting new people
- ☆ Create employment skills and pursue professional growth and development
